Safety Reminders

A gentle reminder for all families: please speak with your child about maintaining positive behaviour on their way to and from school. We expect pupils to represent our school values at all times, including in the community.

Road safety is especially important at this time of year. Please encourage children to stay aware of traffic, use designated crossings, and avoid distractions near roads. Thank you for helping us keep everyone safe.

Please also remember to be considerate of our friends and neighbours around the school when parking.
