End of Term Reminders

Site Safety

We would like to share a few important reminders to help keep everyone safe during drop-off and collection times: The one-way system around the school site is now back in place. Please follow this route when arriving and leaving to ensure a smooth and safe flow for all families.

Once children have been collected from their class, they are under the care and supervision of their parents or carers. We kindly ask that children do not use bikes or scooters until they have fully exited the school grounds. Additionally, please ensure that children do not use the school field or the clamber stack when arriving or leaving. These areas are not supervised at these times and should remain clear.

Thank you for your support in helping us maintain a safe environment for everyone.
